Investment Management Expertise Investment Management, Asset Management, Intermediary Distribution Location Global

Stay in Touch! [1] [1]

As Head of Investment Management at Coalition Greenwich, Davis leads a team of consultants dedicated to delivering insights and positively impacting asset managers around the world.

Davis has extensive experience working with investment managers in North America to address a variety of distribution, marketing, and product-related challenges and opportunities.

Previously, Davis was a Director in Barclays Investment Banking FIG practice where he provided M&A and capital markets advice to asset management clients.

Davis received his BS in Finance and Economics from Lehigh University and his MBA from the Harvard Business School.
