Consultants Mark Buckley and Markus Ohlig advise on the investment management market in the United Kingdom.

METHODOLOGY

During the first quarter of 2019, Greenwich Associates conducted in-depth interviews with 385 key decision-makers at the largest institutional funds in the United Kingdom. Institutions included U.K. corporate funds, local authorities and other institutional funds, each with over £75 million in total defined-benefit plan assets, defined-contribution plan assets or other institutional assets.
