

2018 Corporate Treasury Professionals Compensation Report

Benchmarks for Personal and Staffing Decisions

April 1, 2019

Executive Summary:

Compensation Benchmarks for Personal and Staffing Decisions. Compare salary and bonus versus those of peers by similar tenure and job function for treasury professionals in the U.S.

Methodology:

This 2018 report provides detailed information on salary, bonus and other compensation for treasury functions at U.S. corporations. The data in this report is based on aggregated results from individuals participating in Greenwich Associates compensation research. The information contained in this report is self-reported for the sole purpose of benchmarking. All data is presented in U.S. dollars.

The data reported in this document reflect solely the views reported to Greenwich Associates by the research participants. Interviewees may be asked about their use of and demand for financial products and services and about investment practices in relevant financial markets. Greenwich Associates compiles the data received, conducts statistical analysis and reviews for presentation purposes in order to produce the final results. Unless otherwise indicated, any opinions or market observations made are strictly our own.
