Tobias (Toby) Miarka

Banking Expertise Corporate Banking, Cash Management, Trade Finance Location Europe,Asia Pacific

Stay in Touch! [1] [1]

Dr. Tobias Miarka leads Crisil Coalition Greenwich Corporate Banking research globally and advises international as well as domestic banks on strategic client service and product issues that result in profit-enhancing and sustainable solutions. He is also affiliated with the ESCP Business School where he teaches Banking and Fintech related subjects as part of the school's Master in Management program.

Before joining Crisil Coalition Greenwich in 2006, Tobias worked in M&A advisory for Goldman Sachs as well as an M&A boutique in Frankfurt. Prior to his career in banking, he was a research fellow at the Science Center Berlin, working on Bank-Firm relationship models in Germany, Japan, the U.K., and the United States. Tobias holds a Ph.D. in Economics from Humboldt University, Berlin and an MBA from the University of Cologne, Germany.
