Daniel J. Connell

Market Structure & Technology Expertise Sales, Product Development Location Global

Stay in Touch! [1] [1]

Daniel J. Connell oversees the Market Structure and Technology team. Prior to joining Coalition Greenwich he was the CEO at Correlix, Inc., a leading provider of real-time performance optimization technology.

Formerly, Dan was the Executive Managing Director at Standard & Poor's, and CEO of ComStock, Inc. He also served as the COO of Xinhua Finance Ltd., China's premier financial information and media company. He has also been an executive-in-residence in the private equity industry and as a Board Member and strategy consultant to technology-focused content companies.

Dan earned his BBA in Finance from the University of Massachusetts, Amherst, and completed Executive Business Management Training at the Darden Graduate School of Business. He also attended the Global Leadership 2020 program at the Tuck School of Business at Dartmouth, University of Oxford and Shanghai Jiao Tong University.
