

Yellen, Bond Liquidity and Why Sales Traders Matter

Test Subtitle

February 10, 2016

This was my first time chatting with Betty Liu at Bloomberg TV, which I really enjoyed. We discussed why the Fed shouldn't hyper focus on short term market volatility, how bond market liquidity has changed but a crisis isn't likely, and last but not least how relationships still matter even in this era of electronic trading.

The data reported in this document reflect solely the views reported to Greenwich Associates by the research participants. Interviewees may be asked about their use of and demand for financial products and services and about investment practices in relevant financial markets. Greenwich Associates compiles the data received, conducts statistical analysis and reviews for presentation purposes in order to produce the final results. Unless otherwise indicated, any opinions or market observations made are strictly our own.
